It’s been a great start of the year at Kirton Point Primary with our Nunga students involved in all areas throughout our school like Dance, Drama, Arts, SAPSA, Swimming, Reading Challenges, Buddy reading, as well as programs within classroom. Congratulations to all our Nunga Students for their attendance everyday. The more days you come to school the easier your education journey becomes. Thank you to all parents for your support, opinions and comments. These help us support your children’s learning.

I hope both students and parents have a safe and relaxing Easter break and enjoy the school holidays.

Lavinia Coffin (Aboriginal Community Education Officer.

Highlights of Term 1 at Kirton Point Primary include quality Literacy and Numeracy learning, Harmony Day celebrations, Aboriginal Education lessons for students in Rooms 5, 19, 23 and 25, Dance Workshops, Swimming and Aquatics, SAPSASA trials and events, the Deadly Vibe 3x3 event, wheels days and numerous excursions. However, the biggest highlight is that the majority of our children are attending school regularly and fully engaging in the learning experiences and opportunities available.

Thank you to parents who ensure that their children get to school early so that they access our nutritious breakfast program and practise oral reading during buddy reading time. Children who attend regularly and on time have the best opportunity to succeed at school.

Congratulations to all students on their learning achievements this term. Students will be able to share examples of their learning with families through learning logs and the performances at the parent get-together in Week 10.

Special congratulations to those who have been selected to represent Kirton Point in SAPSASA events in Adelaide - Jacinta Packer, Raymond Betts, Nathan Warren and Zaneeta Walsh. We are so proud of you!!

Enjoy your holiday break and I wish you a safe Easter.

Kind regards, Heather

Congratulations! on representing Kirton Point Primary School at the Port Lincoln SAPSASA trials for Softball, Netball & Athletics this term.
Congratulations to Jacinta Packer who has recently returned from Adelaide where she represented Lower Eyre Peninsula in Softball. Her team came second. Atop effort!

"We played ten games altogether; it was lot’s of fun. It was great playing a variety of positions. We also had fun at the ‘beach house’.

Jacinta"

Congratulations to Zaneeta Walsh who has been selected to represent the LEP Netball SAPSASA team in Adelaide in May.

Congratulations to Nathan Warren and Raymond Betts who have been selected to represent LEP at the SAPSASA Athletics day, coming up in Adelaide.

This term rooms 5, 19, 23 & 25 have participated in Aboriginal Education classes. In one of our lessons the students listened to the story ‘Magic Boomerang’. The boomerang had magic powers which took Kody and his friend Napuru on many exciting adventures. The students then had to write about their ‘Magic Kali’. Kali is the Pitjantjatjara language name for boomerang. The students learnt about the history of dot painting and enjoyed using different tools to dot paint their own ‘Magic Kali’.

Kate Hynes (Aboriginal Education Teacher)
