ATTENDANCE
Regular attendance and participation in schooling is essential.

Under the Education Act of South Australia, parents and guardians are responsible for the regular attendance of all children in their care between the ages of 6 and 16 years. (Education Act of South Australia, part VI Section 74-81.)

Research has shown that children who attend on a regular basis are more likely to achieve success in their education.

If students miss the basic skills in the early years of school, they often experience difficulties later, both educationally and socially.

HOW CAN I HELP MY CHILD TO BE A REGULAR ATTENDEE AT SCHOOL

- Teach your child that school is fun and learning is fun.
- Visit the school and your child’s class to get to know their teacher.
- Ensure your child has a good night sleep every night.
- Have a regular morning routine which your child understands.
- Find time each day to discuss what your child has been doing at school.
- Ensure your child arrives at school in time to settle in.
- Ensure your child has a uniform ready to wear to school.
- Make sure your child has had breakfast or attends breakfast Program.

Students cannot be successful at school if they are missing whole years of learning.
